

IMS POLICY

INTEGRATED MANAGEMENT SYSTEM

QUALITY, ENVIRONMENT, OCCUPATIONAL HEALTH AND SAFETY

UBE LATIN AMERICA LTDA, in its activities of production, development, and commercialization of Urethanes and Urethane Systems, seeks to increase its competitive advantages in the markets in which it operates through a commitment to the continuous improvement of product quality, the environment, and the health and safety of people.

Covering:

- Commitment to customer and market satisfaction.
- Meeting customer needs by offering quality products.
- Compliance with legal and other applicable requirements.
- Protection of the environment through the sustainable use of resources.
- Prevention of pollution inherent to the scale of each business area.
- Provision of necessary resources, including competent personnel.
- Pursuit of world-class standards of quality and productivity.
- Engagement with stakeholders and commitment to the consultation and participation of workers.
- Provision of safe and healthy working environments, through the elimination of hazards and reduction of risks, aiming at the prevention of work-related injuries and illnesses.
